## About

The Industrique is a unique industrial warehouse venue that is designed with versatility in mind, allowing you the freedom to create your ideal event - small or large, day or night.

It is well-known that The Industrique specialises in live music. Our production & operations team are highly skilled and well equipped to deliver quality shows. The entire venue is acoustically treated, providing a unique, unmatched audio experience. The sound design and combination of special FX (SFX/VFX) creates an immersive, memorable experience making it the ideal choice for bands, DJ's and live performances.

With ample room for food vendors, art stalls and even bouncy castles, The Industrique is not just limited to live music - anything is possible!

Located in an industrial zoned area, directly adjacent to the Coburg Velodrome in Coburg North, 20 minutes from Melbourne CBD, the location provides plenty of free off-street parking with public transport only 5 minutes' walk away.
